Hardy Perennials

Rock-Garden Plants
Vines, Roses
Evergreens, Etc.

THE
PALISADES NURSERIES
INCORPORATED

SPARKILL, NEW YORK
Phone 200 Piermont

ROCKLAND COUNTY

Our Location

Our Nurseries are located in Palisades, N. Y., just 14 miles north of New York City, on the new Hudson Driveway leading directly from the Englewood, Dyckman St. and 125th St. Ferries and about 7 miles south of the Nyack Ferry.

INTRODUCTORY REMARKS AND TERMS

THE plants offered herein are all sturdy, transplanted and nursery-grown for more than one year, and can be depended on to flower satisfactorily the first season after planting out.

Our stock of plants is reasonably large; we have thirty acres of hardy plants in cultivation. We make a specialty of supplying **Landscape Gardeners, Dealers, and others in the trade.**

We print real prices, which, as long as unsold and without **engagement,** we are willing to accept. The prices are net, except being subject to 2 per cent discount when cash accompanies order; otherwise payable in thirty days from date of invoice on approved credit. **Packing charges at cost,** f.o.b. Sparkill, N. Y. To meet reputable competition, we will reduce our prices still further on being given the opportunity.

No less than six of one kind furnished at dozen rates, 25 at 100 rates, 250 at 1,000 rates, unless otherwise specified. Clumps (or plants of extra-large size) can, in most cases, be supplied. Prices on application.

Note.—All Goods Are Forwarded At Purchaser's Risk

Climbing and Rambler Roses of Special Merit

All the varieties offered here are hardy and retain their canes throughout the winter and require very little pruning.

American Beauty (Climbing). The color is glowing crimson-red, the real American Beauty color. Beautiful glossy green foliage, which in itself is ornamental and retains its brightness during the entire season. Attains a height of 10 to 15 feet. Absolutely hardy in all localities.

Dorothy Perkins. A splendid new shell-pink Climbing Rose. The flowers are borne in clusters of 30 to 40, and sometimes even 50 to 60. The flowers are large, very double, sweetly scented and of a beautiful shell-pink.

Varieties marked with an asterisk (*) are most suitable for rockeries

Climbing and Rambler Roses—Continued

Dr. W. Van Fleet. The flowers when open run 4 inches and over in diameter, are a delicate shade of flesh-pink, full and double, of delicate perfume, and fine for cutting. The foliage is a peculiar shade of bronze-green, large and glossy. The variety is a vigorous grower, immune from mildew.

Excelsa (Red Dorothy Perkins). The color is an intense, clear crimson-maroon, with tips of the petals tinged scarlet. Flowers are large and double.

Gardenia. A strong and vigorous grower, producing large double flowers singly on the stems. Bright yellow in bud; when open, cream color, and 3 to 4 inches in diameter. This plant blooms profusely and the fragrance is delightful. Glistening evergreen foliage. One of the best of this type.

Paul's Scarlet Climber. A double, medium-sized rose extremely brilliant in color. A new sort of great merit.

Silver Moon. The flowers run 4½ inches in diameter, clear silvery white in color, the centers filled with bright yellow stamens.

Prices for any of above-named varieties, strong, 4-in. pot-plants, 35 cts. each, $3 per doz., $22 per 100.
